## Appomattox students honored

# Boys' and Girls' State members named

Each year the American Legion and American Legion Auxiliary, Department of Virginia conduct Old Dominion Boys State and Virginia Girls State. This week of "living" experience in state government has been set for June 12-18, at Lynchburg College for Boys State and Longwood College for Girls State.

From the beginning to the end, this program is always a learning program in Citizenship, featuring the structure and function of good government on a state and local basis. Eligibility for participation in this program is limited to outstanding young Virginia students who have completed their junior year in high school. Qualifications of Leadership, Patriotism, Character, Cooperativeness, Honesty, Scholarship and Physical Fitness are paramount. Throughout the entire program an attempt is made to continue the education of all citizens in the rights, responsibilities and duties of an American. Respect and loyalty to the American flag is observed and those selected to attend this outstanding program are considered to be dedicated Americans and future leaders of our Nation.

Even though the program is operated by the American Legion and the Auxiliary, other clubs may sponsor students. The fee for one Boys State delegate is $150.00 and for a Girls State delegate $125.00. The Lions Club and the Appomattox Woman's Club cooperate with the American Legion and Auxiliary as sponsors.

The Boys State and Girls State program, first conducted in Virginia in 1939, recognized outstanding young Virginians who have just finished their junior year in high school. During the week of this model state government, all citizens are encouraged to be active in the affairs of his city and state, and if elected to office to execute the position with dignity and responsibility. This program, teaching basic principles of self-government where the order of the day is to "learn by doing", offers instruction by outstanding public officials(state and national),judges,lawyers, educators,state police,and many others. As a theoretical and practical program in depth, it also offers competitive athletic programs, band concerts, political drama, talent programs, a Governor's inauguration and an inaugural parade.

In the ample time set aside for recreation, each of approximately 600 citizens of each state is encouraged to participate in some extracurricular activity. Each city has its own athletic teams. In the short time allotted, talent of the individual citizens may be exhibited in the organization of a marching band and orchestra, a choral group and perhaps a drama production.

POLLY CARTER THE DAUGHTER OF Mr. and Mrs. James O. Carter of Appomattox graduated on May 7 from East Tennessee State University in Johnson City Tennessee, receiving a Master's Degree in Medical Technology and Psychology. In the fall she will enter the Quillen-Dishner School of Medicine.

## Director needed

There are currently no plans for a community play this summer.

Anyone who is interested in directing the Depot Dramatics group are asked to contact Tamara Nash or Joyce Sweet.

# Newman enjoys drama

The glamour of the stage is not often familiar to those interested in accounting, but Kimberly Newman, an outstanding accounting student at Lynchburg College, is as much at home in front of the footlights as she is recording and summarizing business and financial transactions.

Daughter of Mrs. Barbara Meinhard of Cumberland and William Newman of Dillwyn, Kimberly was recently named the Bell Scholar at Lynchburg College, a scholarship award established by the Edward H. Lane Foundation in memory of the late Mrs. Myrtle Bell Lane of Altavista, a 1910 graduate of Lynchburg College.

Kimberly was selected for the award on the basis of being a rising senior business major in accounting who has excelled in academic performance, and contributed to the School of Business and Lynchburg College in posts of leadership and extra curricular activities.

Part of Kimberly's extra-curricular activities involves her interest in the theatre, an interest which she developed appearing in musicals at Cumberland High School. At Lynchburg College, while maintaining a cumulative grade point average in accounting of 3.96, she continues to find the theatre a relaxing and delightful hobby.

She appeared as a dancer and singer in LC's April production of the musical **Where's Charlie?** and was wardrobe mistress for the LC productions of **Seven Year Itch,** and **A Doll's House;** was a dresser for **Arsenic and Old Lace** and **School for Scandal;** and was a member of the costume construction crew for **A Funny Thing Happened on the Way to the Forum.**

Kimberly first came to Lynchburg College to attend the Hopwood Summer Program, a scholarship program for high school juniors. During the one-week summer short course she studied computer programming with Dr. Richard Shores, associate chairman of the department of computer science at Lynchburg College.

Based on her work in the summer program, her high school record, SAT scores and recommendations, she was awarded a Lynchburg College Hopwood Scholarship for full time study upon her graduation fro Cumberland High school.

At Lynchburg College, along with the broad liberal arts curriculum offerings, she has concentrated on studies in accounting and next year when she graduates will have not only completed the accounting major but have met the educational requirements to sit for the Certified Public Accountant Examination.

"I plan to work for an accounting firm in the Lynchburg or Richmond area," says Kimberly, "and after I have worked for a few years I plan to continue my education in graduate school, at least part-time."

And for relaxation? You guessed it. she probably will be taking curtain calls.

OUTSTANDING ACCOUNTING STUDENT Kimberly Newman, recipient of the Myrtle Bell Lane Scholarship Award at Lynchburg College, is congratulated by (l to r) LC president Carey Brewer and Mr. and Mrs. Edward H. Lane.

# Relay gains steam

The Life Be In It Whistle Stop Relay team for Appomattox is in the final planning stage. Chairman of the Board of Supervisors, Horace Coleman, has signed a proclamation declaring June 3, 1983 as Appomattox County Life Be In It Whistle Stop Relay Day.

Mayor Ronnie Spiggle and Mayor Pat Harrison have signed a proclamation naming June 2, 1983 as Appomattox and Pamplin Life Be In It Whistle Stop Relay Day.

The Appomattox Town segment will be held June 2, beginning at 5 o'clock p.m. in front of Memorial United Methodist Church and will proceed down to Main Street on the parade route.

The county coordinators will then motor the baton to Pamplin where relay team members will move it down Busines 460 to the county line in front of the Pamplin City National Bank.

The town relays were rescheduled so more people could participate. The town relays feature some very interesting modes of transportation and important local personalities.

The CSX sponsored Whistle Stop Relay is to promote the public's awareness of recreation and during the Relay, the batons will cover the entire state on five major routes, moving from jurisdiction to jurisdiction until all five batons converge on Richmond where the relay is concluded at the June Jubilee Festival.

The relay batons will have been moved to Richmond via runnings, biking, rowing up rivers, underwater swimmers, hang gliding, wheelchairs, and walking.

Please be sure and come out to watch the town segments on Thursday. You may be surprised!
